Holiday Camps

for ages 7 -14

Where memories are made

PARENTS/GUARDIANS

please take note

Our camps are conducted by experienced staff. Every effort will be taken in looking after your child's welfare. No child is allowed to leave Camp except under supervision and the director's permission.

Our aim is that your child comes away with lasting memories of what they have experienced, explored and enjoyed at our camp. We will be focusing on building strong, healthy relationships with each other and our group leaders. We have a week packed full of activities, action and fun.

Simple but full biblical teaching is given and while staff and leaders are drawn from many different churches, the camps are interdenominational - they are not affiliated with any particular group or church.

Due to heavy demand and limited numbers it is essential you return this application form as soon as possible.

No phone bookings are accepted.

Discipline: Campers are only accepted on the condition that they come under the normal discipline of CBM Camps. We use a graduated system of discipline.

1. Time Out
2. Meeting with Director or staff member
3. Sent Home (after discussion with parents and director)

Where are we? Our beautiful campsite is situated on the bush-clad slopes of Mt Karioi and has panoramic views of the Tasman Sea and beach. The camp is 6 km beyond Raglan at 578 Wainui Road, on the way to Whale Bay.

Friends: Your child will be grouped according to age in the care of a senior leader. If your child wishes to be in the same group as their friends, please specify their friend's name on the registration form. We will endeavor to accommodate their request. **(Limit 2)**

Contacting your child: If you wish to contact your child, please feel free to write, email or fax them. Please note however that we do not have the facilities for campers to reply to emails or faxes or to receive phone calls except in emergencies.

Please do not send cell phones to camp with your children.

SPECIAL REQUEST

Can you help us?

As you can imagine, after a full week of camp our team tends to be somewhat weary! Could you give 2 - 3 hours in assisting us clean the camp? If you turned up between 9 - 9:30am and stayed through until lunchtime this would be such an encouragement to us all. (We'll even feed you!)

Please indicate on your child's form if you can help!
