## → we need you

As you can imagine, after a full-on week of camp, our team tends to be somewhat weary! We really appreciate your assistance after the camp. Would you think about giving us a couple of hours assisting us clean the camp? Please turn up between 9-9.30 am. If you would like to stay through until lunchtime this would be a great help and encouragement to us all. (We'd even feed you!) Thank you in advance!!
