

Map & Directions to Camp Raglan

Directions

If you are travelling by car to Camp Raglan from the Auckland area, or North, drive south on State Highway 1 through Huntly. As you pass through Ngaruawahia you will see an AA signpost to Raglan, but we don't recommend you use this road.

Instead, continue south until you see the Horotiu AFFCO Freezing Works on your right. Turn right immediately past the freezing works and proceed through Te Kowhai to Whatwhata, where you turn right.

When you come down onto the main street of Raglan, turn left onto Wainui Road. Follow this over the one-way bridge and continue on the main road. The camp is almost 6km beyond Raglan and is at the top of the hill just after the sharp tight-hand hairpin bend. Camp Raglan is at 578 Wainui Road.
