VOLUME 37 ISSUE 1 APRIL 2011

Training and Resource | Hebron Children's Home | Phil. Christian Fellowship for Disabled | Hebron Christian College

Dear Friends,

A warm greeting from us. We want to thank you so much for your faithful prayer and care. Yes, these are times of change. Many Filipinos, about 9 million have work overseas, but unrest in the Middle East, has brought some of them home. Approx 8 died in the Christchurch earthquake in New Zealand.

April 9 is the National Remembrance of the Fall of Philippines to the Japanese in 1942, and the awful Death March which followed. But, today, Japan has awful suffering from the earthquake, tsunami and nuclear threat. Some children in our school, made cards to send to children in Japan eg "How I wish I can go there, but because I am a little boy, I will pray for your safety. And I hope nothings happen again. We love you"...

The Bible says: "God of all comfort, comforts us in our tribulation, so that we may be able to comfort those who are in any trouble,"...2 Cor 1:4

Who are these young people all dressed up? They are our SPED deaf students! For the first time, we put on a pageant "Search for Mr & Ms SPED 2011." Each student had to walk in casual wear, sports wear, formal wear and produce a talent portion in front of judges. Could they do it? Teacher Monica said "Maybe a future Ms Philippines could be a deaf girl!" They were all amazing! Parents went home with tears in their eyes.

Who are these people in our Children's Home jeepney? Aah! They are Warners Bay Baptist team from Australia -14 of them. They stayed with us for about a week and helped us start making our beautiful **Barbecue Park**..(very Aussie?!) They had saved for this. It took us another month to finish it. A **BIG THANK YOU!** Now we have a cool place where staff families can entertain visitors, as well as cook and rest anytime.

Meet Jobelle Dela Cruz top right, aged 12, next to a 5 year old! An older lady kindly sent a gift, so we could find what to do for his hunchback. Tests have shown it is Potts Disease:TB of the bone - needs medicine. Let's pray he will grow!

I, Dianne, want to thank all those who prayed for and sent comforting messages to me, after our **Mother's death in November**. A special thing happened. After the funeral, I had to fulfill a previous appointment set at St Paul's church Auckland city. In the 4th service for Sunday, there was a prayer time. The young man next to me asked if he could pray for me. I said Yes. He said "I see a path .its gold and its to do with a Dorothy" I was amazed! He knew nothing of my Mother. A great confirmation that

that she is in Heaven.

PRAYER

For the last 13 years since the fire..with new buildings and restoring each ministry, the leadership has been a pioneering style. Now the buildings are built and the ministries reestablished. Time to turn the page on a new chapter and concentrate on building up the people. This will be a team leadership style. Please pray for us!

God bless you! Dianne, Rio, Norma, Manny, Briccio, Nimfa, Grace & Melany.
